

Special Meeting

Supervisor Estola called a Special Meeting of the Summit Township Board to order at 5:00 pm on April 22, 2013 at the Summit South Township Cemetery

Member present: Supervisor Nancy Estola, Mary Samuels Clerk, Mary Bedker Treasurer, Trustees Terry Woirol and Duane Cooper. All members were present.

The purpose of the meeting was to discuss the driveway around the cemetery and a way to allow for parking.

Bruce Bourdon of Randers Engineering and Ken Adams of Adams Excavating were there to help with suggestions.

After much discussion it was decided to ask Ken Adams for a quote to place crushed asphalt around the entire outside edge of the driveway up to eight feet and restructure the edge drains to accommodate the addition of the crushed asphalt. It will also be necessary to remove several of the pine trees on the west side of the cemetery.

There was also discussion on the size of the plots. Randers had originally designed the plots to be 3' wide but the board was in favor of having 4' wide plots. B Bourdon will modify the plans for 4' wide plots and set the numbers.

There being no further business the meeting was adjourned at 6:25 pm.

Summit Township Clerk
