

Notes for June 1, 2024 Project Planning Meeting

Supervisor Wayne Kelly opened the Public Hearing for the 2024 Project Planning Meeting at 5:00 p.m. on June 1, 2024. All board members were present.

Topics discussed are as follows:

Deren Rd Cemetery-

Columbarium-Decision to contract with Coldspring (quoted \$62,202 for the 128 Niche). Placement of columbarium will be 15 feet north of the north drive around the cemetery, leaving room for 2 more columbariums. Clerk will contact Coldspring to start this process.

Fence Project-landscaping is needed. Clerk will write up bid details and Larson's, Morrell's and Ground Effects will be invited to bid on project.

Summit Park-

Bark in playground area-50 yards will be ordered and spread under play equipment. Need to secure someone to do the spreading and dirt work.

Covered Picnic Area-24x32 (including apron) concrete slab with wrapped 6x6 posts and a metal roof. South end will have a full metal wall and the East and West sides will be stone knee walls. North side will be fully open. No power or water in structure. Once a detailed write-up has been completed it will be put in the newspaper for bids.

Tennis Court-Still getting bids.

The Project Planning Public Hearing closed at 6:58 p.m.
